Jaishankar meets Wang Yi, calls for early resolution

SHUBHAJIT ROY
New Delhi, July 7

AMID THE OVER two-year-long military standoff between India and China, External Affairs Minister S Jaishankar met Chinese Foreign Minister and State Councillor Wang Yi in Bali on Thursday, on the sidelines of the G-20 foreign ministers' meeting, and called for "early resolution" of all "outstanding issues along the Line of Actual Control (LAC) in Eastern Ladakh".

While Jaishankar underlined that India-China relationship is "best served by observing the three mutuals - mutual respect, mutual sensitivity and mutual interests", the MEA spokesperson in Delhi drew a hard line as he responded to China's criticism of Prime Minister Narendra Modi's phone call to the Dalai Lama, action on Chinese firms, and plans to hold G-20 preparatory meetings in Jammu and Kashmir (J&K) and Ladakh.

"The External Affairs Minister called for an early resolution of all the outstanding issues along the LAC in Eastern Ladakh. Recalling the disengagement achieved in some friction areas, he reiterated the need to sustain the momentum to complete disengagement from all the remaining areas to restore peace and tranquility in the border areas," the Ministry of External Affairs (MEA) said in a statement.

"He reaffirmed the importance of fully abiding by bilateral agreements and protocols, and the understandings reached between the two ministers during their previous conversations. In this regard, both ministers affirmed that the military and diplomatic officials of the two sides should continue maintaining regular contact and looked forward to the next round of senior commanders' meeting at an early date. EAM reiterated that India-China relationship is best served by observing the three mutuals - mutual respect, mutual sensitivity and mutual interests," the statement said.

"Begin my day in Bali by meeting FM Wang Yi of China. Discussion lasted one hour. Focused on specific outstanding issues in our bilateral relationship pertaining to the border situation. Also spoke about other matters including students and flights," Jaishankar tweeted. "Shared perspectives on the international situation and its impact on the G20 deliberations," he said.

Jaishankar and Wang last met in Delhi during the latter's visit in March this year. The MEA statement said Jaishankar recalled their meeting and "reviewed the progress of some key issues discussed then, including the return of (Indian) students (to China)". He stressed the "need for expediting the process and facilitating the return of students on an early date," it said.

"The two ministers also ex-

changed perspectives on other regional and global developments," the MEA said, adding that Wang Yi "appreciated India's support during China's BRICS chairmanship this year" and "assured China's support for India's upcoming G20 and SCO Presidency". They agreed to remain in touch, it said.

Meanwhile, speaking at an event in New Delhi, Chinese Ambassador Sun Weidong said that "harmonious co-existence and common development of China and India will make great contribution to the cause of peace and development of mankind". He said that at the BRICS Summit last month, President Xi Jinping drew a new blueprint for BRICS cooperation, sending out a "powerful message... calling for peace not war, development not regression, openness not isolation, solidarity not division, and cooperation not confrontation."

This came a day after Modi said on Wednesday that he had called up the Dalai Lama to wish him on his birthday. Responding to a question, Chinese Foreign Ministry spokesman Zhao Lijian told a media briefing in Beijing on Thursday that "the Indian side should fully recognise the anti-China separatist nature of the 14th Dalai Lama". It should abide by its "commitment to China, speak and act prudently and stop using Tibet-related issues to interfere in China's internal affairs," Zhao said.

In Delhi, responding to Beijing's comments, MEA spokesperson Arindam Bagchi said: "It is a consistent policy of the Government of India to treat His Holiness, the Dalai Lama, as an honoured guest in India and as a respected religious leader who enjoys a large following in India. His Holiness is accorded all due courtesies and freedom to conduct his religious and spiritual activities in India... His Holiness's birthday is celebrated by many of his followers in India and abroad. The birthday greetings by Hon'ble PM to his Holiness should be seen in this overall context."

On the issue of searches

on premises linked to Chinese phone company Vivo, the MEA spokesperson said, "I would refer you to the investigative authorities for any further details on that... All I would say is, Chinese companies who operate here otherwise need to follow the law of the land and I think our legal authorities are taking steps as per the law of the land."

The Chinese Embassy spokesperson had said on Thursday, "We hope the Indian side will abide by laws as they carry out investigation and enforcement activities and provide a truly fair, just and non-discriminatory business environment for Chinese companies investing and operating in India."

On China's criticism of India planning to hold some of the G-20 meetings in the Union Territories of Jammu & Kashmir and Ladakh, the MEA spokesperson said: "India will assume the presidency of G-20 from December 2022. Apart from the Summit next year, a large number of G-20 events at different levels will be organised across the country during our presidency. There is no need to speculate at this stage."

Unitech board: Renu Sud Karnad, Balasubramanyam Sriram quit as non-executive nominee directors

PRESS TRUST OF INDIA
New Delhi, July 7

REALTY FIRM UNITECH on Thursday said Renu Sud Karnad and Balasubramanyam Sriram, who are non-executive nominee directors, have resigned from the company's board citing professional constraints.

While Karnad, who is the MD of HDFC Ltd, resigned from Unitech board on March 24, Balasubramanyam Sriram stepped down on June 13, according to a regulatory filing.

A few years back, the Supreme Court had directed that the erstwhile board of directors of Unitech Ltd be superseded and the management be taken over by the new board of directors in terms of proposal submitted by the Union government.

The Ministry of Corporate Affairs proposed the constitution of a new board,

On Thursday, Unitech said their resignations have already been intimated to the ministry

which was approved by the Supreme Court on January 20, 2020. The ministry appointed eight nominee directors, including Renu Sud Karnad and Balasubramanyam Sriram.

On Thursday, Unitech said their resignations have already been intimated to the ministry.

The ministry, through a letter dated July 6, has taken on record the resignations of Renu Sud Karnad and Balasubramanyam Sriram from their respective dates of resignation, as per the filing.

Giving reasons for the resignations, Unitech informed that Renu Sud Karnad is serving as an indepen-

dent director/director on the board of several listed/unlisted companies.

"This has brought constraints in her role as the executive of Housing Development Finance Corporation Ltd. Being overboarded for being on the board of several companies, she has resigned from the company citing professional constraints," the filing said.

Balasubramanyam Sriram has resigned from the company on account of being over occupied professionally and thus being unable to invest considerable time towards the working of the company.

"...there are no other material reasons for their resignations other than those provided above," Unitech said.

Yudvir Singh Malik, IAS (Retd.) is currently the Chairman and Managing Director of Unitech Ltd.

Govt to spend ₹810 cr to settle issues of 2 defunct paper mills: Assam CM

THE ASSAM GOVERNMENT will spend ₹810 crore to resolve issues concerning two defunct paper mills of Hindustan Paper Corporation, chief minister Himanta Biswa Sarma said on Thursday.

"Of this amount, banks will have to be paid ₹150 crore and the Assam Power Distribution Company (APDCL) around ₹60-80 crore, while the rest will be distributed among the employees of the Nagoan and Cachar paper mills at Jagiroad and Panchgram, Sarma said. The chief minister was speaking at the ceremonial distribution of the relief package to the paper mill employees here.

The government will regularise the pension of the retired employees by depositing the due amount, "which the HPLC should have paid", with the Provident Fund Commissioner, Sarma said. The Assam government will also pay the gratuity amount, while the salary of the employees will be deposited by the liquidator, he said. Appoint-

ment letters were also given to 66 employees of the paper mills in various government departments.

A trust will be set up with a corpus of ₹25 crore, and the interest earned from it will be used to help former employees during any situation of distress.

HPLC's two paper mills - Cachar Paper Mill and Panchgram in Hailakandi district, and Nagoan Paper Mill at Jagiroad in Morigaon district - have been non-functional since October 2015 and March 2017 respectively, with employees not receiving salaries for the past five years. —PTI

Production from captive, commercial coal mines rises 79% in June quarter

PRESS TRUST OF INDIA
New Delhi, July 7

THE PRODUCTION FROM captive and commercial coal blocks has increased by 79% to 27.7 million tonne (MT) in the June quarter.

The coal ministry also expressed hopes that the targeted production of 32 MT from captive and commercial mines during the second quarter of FY23 will be achieved.

"Production from coal blocks during the first quarter of financial year 2022-23 was reviewed by the Additional Secretary and Nominated Authority, the Ministry of Coal on July 6, 2022 in the presence of project proponents. Coal production achieved during the first quarter is 27.7 MT which is 79 per cent higher than 15.5 MT coal produced during same period in FY 2021-22," the coal ministry said in a statement.

The government also appreciated the efforts of coal blocks owners in achieving such high growth.

Two coal blocks sold last year under commercial mines auction have become opera-

tional and produced 1.57 MT in the first quarter, it said.

At present, a total of 36 captive and commercial mines are under production and it is likely that at least 12 more new mines will start production during the year. This will significantly contribute to meet the coal demand in the country, it added. Further, project proponents also shared the efforts made by them and the challenges they are facing. The ministry of coal assured to extend all possible support in resolving the issues.
